Office of Legislative Counsel

Wednesday - 20 May 1959

25X1

2. Furnished to the DCI a copy of S. Res. 115 and a covering memorandum of this date for his use at a White House meeting. He also had in hand previous materials on congressional proposals for a Freedom Commission. Subsequently, the Director advised that the official Administration position was not to oppose either of these matters but rather to guide if at all possible. He requested that Legislative Counsel work with Tracy Barnes on these matters.

3. Telephoned Congressman Jim Wright (D., Tex.) and in his absence talked with Miss Nancy Hines and attempted to arrange a time for next week for a briefing of Mr. Wright at the Agency. Suggested times were 10:30 on Monday or possibly on Tuesday morning. Miss Hines promised that either she or Mr. Wright would advise.
